

**CABA Divisions:**

CABA Colorado strives to provide the most competitive competition at each level of play for our participating teams. CABA Colorado will be adding a division for most tournaments in ages 9-14. 8U will not be broken into divisions. For 9's there will be 9AA and 9AAA. There will be no Major's division for the 9 or 10 year old age groups.

Our hope is that this will eliminate teams from registering and playing in a division that is not appropriate for their level of play.

CABA Colorado will have the following five (5) divisions:

**CABA Major's :** D1 Triple Crown teams, Majors teams in USSSA and High Majors level league teams

**CABA AAA Gold:** D2 Triple Crown teams, Higher level AAA teams in USSSA and Lower Majors and High AAA level league teams.

**CABA AAA Silver:** Lower level D2 Triple Crown teams, Lower level AAA teams in USSSA, Higher level AA teams in USSSA and Lower AAA level league teams.

**CABA AA Gold:** D3 Triple Crown teams, Lower level AAA teams in USSSA and Lower AAA level league teams.

**CABA AA Silver:** Lower level D3 Triple Crown teams, Lower level AA teams in USSSA, and Lower level AA league teams.

CABA Colorado reserves the right to combine divisions and some tournaments will not have all 5 divisions as an option.

Teams will be monitored closely and will be moved accordingly. (This process may take up to 2 weeks). Teams do not necessarily have to win a tournament to be moved. A team's success, or lack of success can also deem a division move. It is the teams responsibility to select the appropriate level of play.

CABA Colorado's goal is to provide the most competitive divisions as possible.
